ANNOUNCEMENT

Dear our beloved readers,

Recently we have been receiving a large amount of traffic as we release more chapters, especially on Thursday with My Hero Academia, Haikyuu, Shokugeki no Soma. While this is a good news, we now have to face a new problem as well: our current server cannot handle that much traffic, and as the result, you can see our site slow, or sometimes down on Thursday. Therefore, we need your help, to be specific, we need DONATION with a fixed amount each month, as you can see on our homepage, it is $50/month. We will use the donation to upgrade our current server and it allows us to purchase RAWs for some of our current series and future series. So if you can help us out, please donate, each and every bit is appreciated!

Alternatively, if you cannot donate, we might start placing ads. With the current traffic, we think it is sufficient for us to finance ourselves. However, we have not found out any proper ads providers yet, all of the previous ones caused redirects, popups, malwares, etc which annoyed you readers a lot. So we hope you can suggest us some good ads providers besides AdSense by sending it to our email at *fascans090@gmail.com*.

Thanks a lot for your support!

Translation NOTES!

Page 12 - They actually did used to teach line dances in Japan, or as they called it, "Oklahoma Mixer". It's set to a very slow version of "Turkey in the Straw."

Page 13 - In Japanese, Hiroto calls Maeda "tono", which is an honorific that samurai used for their lord in feudal Japan.
